

Come Let Us Worship

Come let us worship and bow down

Let us kneel before the Lord

Our God, our maker

(repeat)

For He is our God
And we are the people
Of His pasture
And the sheep of His hand
And the sheep of His hand

Come let us worship and bow down
Let us kneel before the Lord
Our God, our maker
(repeat)

For He is our God
And we are the people
Of His pasture
And the sheep of His hand
And the sheep of His hand
