

Day by Day

Together

Day by day

You reveal Your love to me

Cradled in Your arms

I am a precious lamb

A diamond in Your eyes

Women echo

Day by day

You reveal Your love to me

Cradled in Your arms

I am a precious lamb

A diamond in Your eyes

Women echo

There I stood

Sinner in an angry world

Then I looked to heaven above

And I found you

And I will search no more

Cradled in Your arms
I am a precious lamb
A diamond in Your eyes
